Dr. Alpha

Dr. Alan Alpha is a board-certified pediatrician with over 25 years of experience in pediatric medicine. He has extensive experience and training in pediatric medicine, medical group and hospital administration.

His experiences and observations have served to solidify his commitment to the ongoing improvement of medical care through research and education. Dr. Alpha received his medical degree from the University of Texas Medical Branch in Galveston, Texas. In 1975 he moved to Tucson, Arizona to begin his pediatric residency at The University of Arizona, College of Medicine. Dr. Alpha was appointed Pediatric Chief Resident in 1978. He has served as a Senior Clinical Lecturer in the Department of Pediatrics at the U of A, College of Medicine and has been referenced in several pediatric health publications.

Upon completing his residency Dr. Alpha joined Group Health Medical Centers (GHMA), a large multi-specialty physician group. During his 18 year tenure at GHMA he practiced pediatric medicine and served as Associate Medical Director of Medical Affairs from October 1988 to January of 1995. The knowledge and experience he acquired in his years with GHMA led to his appointment as Medical Director of the Physicians Services Division of Health Partners of Southern Arizona/TMC Healthcare. He served as Medical Director from January of 1995 through May of 1998. He then joined Carondelet Heath Network as Vice President of Medical Affairs and served in that capacity until March of 2004.

Dr. Alpha returned to pediatric private practice “his first love” in January of 2005. He is passionate about using his extensive experience and knowledge to empower and partner with parents as they endeavor to raise healthy, happy children.

Dr. Beta

Dr. Betty Beta is a board certified pediatrician and is a Fellow of the American Academy of Pediatrics. She is a native Arizonan and is fluent in Spanish. She attended The University of Arizona, where she graduated with honors receiving a Bachelor of Science degree in Biochemistry with a double minor in Chemistry-Math-Physics and Spanish.

Dr. Beta graduated from the highly regarded University of Iowa's, Carver College of Medicine. After medical school, she moved back to Tucson to begin her Pediatric Residency at the U of A, Health Sciences Center. Dr. Beta consistently earned distinguished honors and awards during her academic years, and her commitment to excellence continued throughout her pediatric residency. At the completion of her residency, Tucson area pediatricians voted her Outstanding Pediatric Resident. Upon the recommendation of her peers and faculty Dr. Beta was appointed Pediatric Chief Resident in June of 2006.

Throughout the years, Dr. Beta has been committed to furthering her education and the education of others. In college and medical school she assisted in teaching and tutoring under-classman. As Pediatric Chief Resident, her major responsibilities included instructing residents and medical students. Dr. Beta is now dedicated to sharing her knowledge with her patients, their parents and the community.

Dr. Gamma

Dr. George Gamma was born in Denton, Texas. Dr. Gamma was raised in Fort Worth, where he attended school through graduation from Nolan Catholic High School. Dr. Gamma completed his undergraduate studies at the University of Texas at Arlington, and he received his medical degree from Texas A&M University College of Medicine in 1994. Dr. Gamma completed pediatric residency training at Texas A&M University Health Science Center - Scott & White Hospital (Temple, Texas) in 1997, where he served as Chief Resident and Clinical Instructor.

Dr. Gamma is board certified in Pediatrics by the American Board of Pediatrics and is a member of the American Academy of Pediatrics. He enjoys an excellent reputation within the medical community and the public at large. His practice philosophy is to provide professional, competent, and thorough care for infants, children, and adolescents in a warm and friendly manner.

Dr. Delta

Dr. Diane Delta is a board eligible pediatrician. She attended Carnegie Mellon University in Pittsburgh, Pennsylvania and graduated with a Bachelor of Science degree in Chemical Engineering with double minors in Biomedical Engineering and Chemistry.

Dr. Delta began her career with Westinghouse Electric Corporation working as a Nuclear Engineer contracted with the United States Navy. She then worked for General Chemical Corporation in the position of Plant Manager.

During this time she continued to take courses in preparation for medical school. Dr. Delta entered medical school in August 2003 at Temple University School of Medicine in Philadelphia completing her medical degree in May 2009. After completing her medical degree Dr. Delta and her family moved to Tucson Arizona to begin pediatric residency at The University of Arizona Health Science Center. She recently completed her and is excited to begin pediatric private practice.
